

Ohio Plan Management Resources

Base Annual Membership Services – Tier 1

Membership Fee - \$1,000

Through a base annual membership fee, our Members gain access to a needs assessment, cybersecurity assessment, training opportunities, access to specialized programs and discounted rates for a variety of consultation services, special training and project assistance.

❖ **Member/Community Needs Assessment**

OPMR is committed to understanding the needs and issues that confront our Members and providing them with affordable, easy-to-understand solutions for implementation.

Working together, we will conduct a community needs assessment to inventory your entity's organizational structure and identify challenges and policy or program needs. A phone or in-person interactive session will follow, allowing for a more detailed discussion and analysis of your entity's needs.

❖ **OPMR Cyber Security Assessment Program**

OPMR is committed to protecting Ohio public entities from hacking and cybercrimes.

Through our vetted Partner, CyberClearSafe, we will provide educational assessment tools to enable you to understand the unique practices of your computer users, the potential vulnerabilities these practices create and simple steps you can take to reduce your entity's risk of becoming a victim of cybercrimes. As an OPMR Member, you will also receive monthly emails with the latest cybersecurity news and best practices.

Membership includes the following services provided by CyberClearSafe:

- Cyber Assessment Questionnaire and Written Recommendations Report
- "Dark Web" Scan and Check-up
- Cybersecurity Policy Review

**Additional services are available at a discounted rate*
